To the Editor:

I was up at seven as usual to go workout before it got too crowded. I run through my routine in the usual time. I do my weight sets, repeat and do them again. I try not to pay too much attention to the others in the club. They are too distracting. I was accustomed to getting attention from the women in the club and I admit I've hooked up with a few of them, but usually I try to stay away and focus on my workout. While I come almost every day, I'm not overbuilt. I like to keep fit but not bulked up.

Today I glance down the line of treadmills and spot these two really good looking chicks. They must be new because I haven't seen them here before. I'd come to learn later that one's name is Jayden and her friend is Taylor. They spot me pushing weights around. Although Jayden's body was naturally firm and beautiful. Taylor noticed me as well. She was a little taller than Jayden but just as striking. I thought these two were lesbian friends because they sure seemed friendly with each other. Unknown to me, one was married and the other was divorced.

On my way out, I noticed the two were watching me from the treadmills. I give them a passing glance and see them gesturing me to come over. I stop momentarily and change direction back to the treadmills and my (I hope) adventure. The conversation with them was short, I exchanged numbers with Taylor (since Jayden was "taken") and they agreed to meet up later.

Taylor and I would have dinner that night, then we went dancing. The dinner went by

Dear MILF Magazine:

I haven't written to too many magazines and only a couple men's mags, but I just gotta tell you that the photo shoot with Micah and Whitney was super hot. Those two chicks must be sex freaks to play like that. I then went online using the codes in the mag and watched them in action and it was even hotter than the photos. Man I would just kill to be a photographer, or even a fly on the wall, for a chance to be around that action. Two beautiful naked girls frolicking on a guy's cock. Man that's for me.

– Allan in Ft. Worth

With a smile, I pulled her panties down. Taylor grabbed my hands and placed them on her pussy. As I slipped two of fingers inside her, she let out a moan...

fast as Taylor dropped all the appropriate signals and I quickly understood I was going to fuck her. Taylor seemed quite attracted to me that when I moved in to kiss her after dinner, it sparked an immediate make out session that prompted us to skip the club and go straight to a hotel. I paid for the room while Taylor waited in the car. She sent an urgent text to Jayden with the address. As soon as the room door was opened, Taylor jumped into my arms wrapping her long legs around my waist.

I let her down and as soon as her feet touched down she ripped my shirt open. As my hands slid up her summer dress, she began to leak juices on her panties. With a smile, I pulled her panties down. Taylor grabbed my hands and placed them on her pussy. As I slipped two of fingers inside her, she let out a moan as they went in and bit her lip. I carried her over to the bed and laid her down gently. Taylor watched as I took off my pants and stood between her inviting legs. I slipped out of my boxers and stepped forward.

Just then her cell phone rang. Taylor looked at me and said she absolutely had to take the call. It was Jayden. They talked for a very brief moment and then hung up. Taylor set the phone on the nightstand and refocused on my cock. She grabbed it, pulled me over and guided it into her waiting mouth. At that moment, Jayden arrived and knocked on the door. I seemed surprised when she walked in. I must admit I was not expecting her but quickly agreed to her joining when Taylor and she started kissing and touching. I sat on the edge of the bed watching these two beautiful women licking each other.

Taylor kept slapping Jayden's ass as they were sixty-nining. Watching them my dick was at heightened arousal with every slap of Jayden's perfect ass. They had decided to put on a show for me as Taylor laid on her stomach in between Jayden's legs and begin to eat her out. As she plunged her tongue deeper into Jayden's now leaking hole, she made her ass cheeks jump and clap in front of me. I couldn't control myself anymore and had to join in. I approached Taylor's inviting pussy from behind and slowly fed my cock into it while she continued to tongue Jayden's pussy. Taylor felt me entering her but Jayden muffled her scream by grabbing the back of her head and forcing her face deeper into her pussy.

With two hands gripping Taylor's ass, I was surprised by the tightness of the vagina I was fucking. I gained my composure and slowly starting to push my cock deeper into her. Her pussy was tight as I continued fucking her and watching Jayden slurp up anything she could. Taylor's pussy squeezed me tighter and I responded by push-

> *I decided to thrust my cock between their mouths as they kissed and they obliged be licking it clean.*

ing into her harder, pounding my cock into her ass cheeks.

Jayden could hear the loud clapping of our bodies along with Taylor's tongue between her legs made her orgasm hard. She arched her back and squirted in Taylor's face. Eyes closed, Taylor felt the spray on her lips and nose and immediately used her tongue to clean Jayden's juices. I leaned back, grabbing Taylor's hips and forcing every inch of my cock inside her. She let out a loud moan before Jayden pushed her face back into her pussy and started to fuck her tongue. Taylor was now creaming all over the bed and her wetness encouraged me to push my cock even harder inside her.

I grabbed her long blonde hair, wrapping it around my hand and pulling her head back. I rode her hard, slapping her ass from time to time. Now Taylor unable to concentrate on anything but my cock poking her insides, stopped tonguing Jayden and braced herself as her whole body shivered on my cock. I knew she was coming as I kept pumping hard trying to outlast her. Taylor finally came squirming and buckling, her sweaty body sliding all over Jayden's underneath her.

As Taylor lay shuttering with my cock still inside her, Jayden moved behind me and began to lick my balls from between my legs. She caught on and held on to my cock as it moved in and out of Taylor. Taylor collapsed in exhaustion, sliding off my cock with a sloppy slurp. Her pussy lay wide open as she caught her breath and licked her own juices from her fingers.

My cock had barely escaped Taylor's pussy when Jayden immediately engulfed the tip with we wet, pussy-smelling mouth. I think the size of it surprised her. Not wanting to climax before fucking Jayden, I quickly lifted her off the bed in one swift motion. As if sliding down a pole, she mounted my cock while I held her off the ground. Taylor who had finally recovered from her shivers, slapped her on the ass and began licking her and me. I lifted Jayden up and down on my cock in a slow rhythm. She put her arms around my neck and whispered in my ear to give her a goof fucking. I pumped her harder using one hand to lift her by the ass and the other to keep Taylor's head positioned on my balls as I went in and out of Jayden.

Finally the effects of Jayden's whispering and the grip of her vagina along with the ferocity of Taylor's sucking my balls forced me to reach my breaking point. My knees jerked as I let out a monstrous groan. Taylor grabs my cock and pulls it out of Jayden's pussy and right into her mouth taking my full load filling her oral cavity with it. As her mouth filled with hot cum, I held Jayden high so she could also get the drips from Jayden's soaked pussy.

I gently laid Jayden on the bed and Taylor immediately went over and started tongue kissing her. They licked each other mouths and faces and the sound of that and their girly noises made me hard again. I decided to thrust my cock between their mouths as they kissed and they obliged by licking it clean.

I was at the gym the next day but I did not see them there. Perhaps they were recovering in each other's arms?

what's a peachy girl like you doing with a cock up your ass?

Friends with benefits. That's what we are. Non commitment sex is the best. No one's hurting anyone's feelings and we can just be our selves. No strings attached, just great sex between friends. That's why I can experiment with anal sex. There's a security that he'll do it right and he's doing it for my pleasure.

Yes, I'm the atypical soccer mom. I like to play, not just watch. My man's best friend sometimes will join us in the bedroom. Three is never a crowd when he's with us, because it's a nice change from the norm. He likes it when I take control and give out orders. I have to with two big dicks waving around the bedroom. It's a lot of fun.

FANTASY PLEASE

we came, we partied, we came again

It was a restless sleep Thursday night. I had weird dreams and forced myself to wake up several times. When Friday morning hit, I woke up with my cock hard as iron. Laying next to me, my girlfriend was still sleeping. I stroked my cock while I thought of Isabelle. She and I work together at City Hall, in the Records Department. I'm pushing thirty and she's a few years older than me but looks at least ten years younger. Isabelle started working about a year ago and already she was the talk of the office. Not only for her looks, but for her mouth. That is to say, she apparently talked a lot of sex, a lot of anonymous sex. I had only heard it second hand. This day, she and I had to go to the county courthouse to pick up some industrial property records.

Almost as soon as we got in the car she started, asking me how many times I'd been with girls I didn't know, one night stands, and kinky sex games. For the next forty five minutes of the drive we exchanged both real and, probably, made up stories. She said she played a lot of sex games with various people both men and women, and as long as it didn't interfere with her work, she was okay with it. I said me too.

I decided to delve deeper and ask how these sessions happen with her. She said that people who know people would call or text her with what they wanted and if she liked it and felt like it, they would set up a rendezvous and engage. I joked, kinda like a country club. She found it amusing as we pulled into the courthouse parking lot.

I called up my friend Matt after work that day and told him I had the inside info on Isabelle. We talked for a while and concocted a plan and the next Monday put it into motion. He would text her pretending to be an ex-participant and tell her than a new person was going to text her for a 'play date' as she called it. We thought that with enough inside information she would agree. And she did. She and I texted back and forth to get the details worked out. At work I did not say a thing or give any indication it was me. She, and I, both wanted it anonymous. After all I have a girlfriend.

Friday I got the message I was waiting for. Matt and I were going to show up with masks on at eight on Saturday night. I called Matt immediately after the plans were made. Saturday night at a quarter to eight Matt and I park in front of her house and cover our faces like burglars. We decided, and agreed, that there was to

She said that people who know people would call or text her with what they wanted and if she liked it and felt like it, they would set up a rendezvous and engage. I joked, kinda like a country club.

Isabelle reached back and pulled Matt's dick back towards her pussy. It slid into it easily, right to the hilt in one stroke, and suddenly was completely swallowed up.

be no talking on my part, lest she recognize my voice. He could talk, but not to say my name or too much else. We walked up to the house and rang the doorbell. We'd dressed pretty simply so our clothes would not give us away.

Isabelle was wearing a long flowing black robe-like thing when she answered the door. She was incredible: tall and statuesque with full pouty lips and long slender legs. She led us into the living room where many, many candles ringed the sitting area. In another room we heard voices, moaning and other muffled sexual sounds. Was this an orgy or a swinger's party? She stopped in the middle, took off her robe and stood there totally naked in front of us. Her skin was skin was glowing in the candlelight and her pussy was hairless. Her boobs were beautiful, perfectly firm and big, with half-dollar size nipples. In a low sultry voice, she told us to strip, which we did two seconds. We're all naked now except for the masks Matt and I were wearing. She took a couple steps, sat on the sofa and took her mask from the side table. It was beautiful, like the Venetian paper maché masks.

Isabelle extends her arms, one to each of us to come closer. I kept looking at Isabelle's naked body, sitting obediently on the couch. Matt made his way towards the sofa unable to hold himself back. He slowly leaned down and Isabelle wrapped her beautiful long thighs around his head as he slowly pressed his lips against her pussy. He kissed all along the outer edges of her pussy, his tongue making circles around her clit. He slowly spread apart her pussy lips as his tongue dove into her, exploring it like it had a mind of its own. He ran his hands up her stomach, gripping her breasts, fondling them roughly. He nodded towards me and I smiled as he slowly squatted over Isabelle, gently easing his cock into Isabelle's waiting mouth. She let out a soft purr as she felt his cock touch her lips and move past them into her hot mouth. Her eyes fell shut as she felt his long, hard cock enter her causing her head to rock against it breathing hard as she did. Instantly her mouth was over his mushroom head, pulling and licking at it gently at first before becoming rougher and rougher. She moaned softly as she tasted his warm precum in her mouth. Her tongue rolling around up and down the shaft with Matt grinding hips on top of her.

Isabelle lay down on the sofa, and Matt buried his cock into Isabelle's pussy as he slowly slid his enormous manhood straight past her clit. He gripped her shoulders, and started to slam in and out of her. He growled softly as he plowed his meaty manhood in and out of Isabelle. I couldn't take it anymore and went over and straddled Isabelle's face. She began by lapping the underside of my cock. She buried her face deep into my balls, tongue flicking at every twitch of them. Her hands gripped my butt cheeks tight, digging her nails into them as Matt pounded her harder and harder causing her to yelp with pleasure. She groaned slightly as she continued to suck me nibbling on my cock with her teeth before attacking it with her tongue.

Matt reached out and gripped her full beautiful breasts, fondling her roughly as he continued to make hot rough love to her, his length sliding almost all the way out then would slam back into her. Isabelle growled out loud as his cock went harder and harder into her, causing her pussy to get wetter and wetter. Her body trembled as she tried to fight back another orgasm. She knew for a moment after her body wouldn't be able to handle much more she wanted to keep going but her body had other plans. Matt could tell that Isabelle was spurred on by his motions and that only caused him to go harder. He could feel her beautiful walls tighten around him until she released her beautiful juice all over his shaft. With one mighty thrust, Matt plunged his cock deep into her pussy and let his cum burst forth into her pussy, entirely coating her walls and causing their combination of love juices to leak slowly from her beautiful slit. She screamed slightly as she orgasmed, her body quivering hard as she hit her peak and dug her teeth into my cock that only made me orgasm as well from the pleasure of her teeth. I pulled out when she had drained all my cum.

I got off the sofa and took Isabelle by the arm and stood her up. I led her around the back of the couch and bent her over it, and waved Matt over. He rested the tip of his cock against Isabelle's soaking wet pussy. He pushed just the tip in between her lips. He waited like that for a few seconds, maybe weighing his decision, and then switched holes and pushed his cock against her asshole. Isabelle made a noise, but pushed down on his cock too. They pushed like that for a few seconds. Isabelle reached back and pulled Matt's dick back towards her pussy. It slid into it easily, right to the hilt in one stroke, and suddenly was completely swallowed up. She pulled it out and put the tip of his dick against her asshole again, and with a bit more pressure, he was halfway into her ass.

While this was going on, I sat down on an armchair and watched Isabelle's huge breasts sway as she was fucked from behind, bent over the sofa. She was gasping in ecstasy as Matt got all the way into her ass, and put his hands on her shoulders to pull her butt down on his cock harder and faster. Isabelle came hard, but still didn't speak. Her legs were shaking. She spun around and kneeling in front of him, leaned her head back and opened her mouth wide, and Matt delivered. He unloaded a jet of cum across her face. She made a show of sucking his cock again, keeping busy while she waited for whatever came next.

And she didn't have to wait long. I took Isabelle's arm and brought her to my armchair, kneeled her down in front of me and sat while she sucked my cock back to a full hard-on. Her deep throating was amazing, and I was ready for round two. I wanted to try anal with her, too. As soon as I was fully hard once again, I turned her around and made her start sucking Matt's cock while she stood and bent at the waist. I got behind her. She was so hot and wet, as I plowed her pussy for five minutes while she kept deep throating Matt. Then I stuck it in her asshole, all the way in one stroke. I thrust deep into her little brown star at least a dozen times, building the ecstasy and my orgasm until I was at the edge again. I shoved my cock deeper into her ass and gave her three hard, long and full thrusts, and then shot my second load deep into her asshole. I pulled out and watched my cum drip out of her backdoor and down her buttcrack.

It's now midnight and we've exhausted ourselves. Sweat was running down our faces under our masks as we got dressed. Isabelle just sat on her sofa waiting for our departure. We headed for the front door and Matt said good-bye. I nodded and opened the door. When we got to the car, we just sat there for five minutes before either one of us did anything. Then the biggest shit-eating grins crossed our faces. We pulled a U-turn to head back home just in time to see her inviting another couple into her house.

When we got to the car; we just sat there for five minutes before either one of us did anything. Then the biggest shit-eating grins crossed our faces.

I couldn't help myself. His European accent and huge cock are very hard to irresistible. When he looks at me I can feel my pussy immediately become moist. They say a girl shouldn't give it up on the first date, but fuck it he was just too fine. When we fuck, he's usually on top, but tonight we've traded places. I command the cock. I control the pussy and I give it up when I want to. It feels good to be the one in control for a change.

nikki

never met a cock i didn't like

MARRIED -- **No, having too much fun**

HOW OLD R U -- **Wanna get slapped?**

REAL OR FAKE -- **Wanna get slapped?**

EVER CHEATED -- **Yes, often**

GUY or GAL -- **Can't you tell. I can**

FAVE POSITION -- **Sucking cock**

VIBE or COCK -- **Gotta have cock**

RE-MARRY -- **Are you proposing?**

Not too many women will admit that they love to suck cock. And if they do, what do they do with the cum at the end. With me, it's easy, I love to suck cock and I love the taste of it. That's what nature gave us, so I make the most of it. There's never been a complaint. Not a one.
